

## Welcome to GIRO PANORAMICO

GIRO PANORAMICO is the driving element of COTSWOLD ALFA DAY. It is simply a planned route that will take you from The Inn at Fossebridge to Blenheim Palace, giving you the opportunity to explore the beautiful Cotswold countryside along the way. Full instructions and clear directions are given, and as the route progresses places of interest are pointed out - there is even a quiz. This involves a series of simple observational questions and if you answer them all correctly you could win a prize!

The whole route is around 45 miles in length. You can follow the route singularly or in a small convoy - it is up to you. However we suggest long 'trains' of cars are avoided - as they slow you down, and they can be annoying for other roads users.

If driven non-stop the route can be completed in about 1½ hours but please take your time - it's not a race. Enjoy the scenery, have a go at the quiz, or stop en route to explore some of the beautiful and interesting places that you will come across along the way. Above all else enjoy driving your Alfa!

You shouldn't really need this map as the route instructions are very clear and easy to follow. In the unlikely event of you getting lost you can call members of the Cotswold Committee who will do their best to 'talk you down'. Mobile numbers below;
